BUFFALO NEWS NAMES CCA A WINNER OF THE METRO BUFFALO (2015) TOP WORKPLACES 2023 AWARD

Salamanca, New York January 30, 2023 - CCA has been awarded a Top Workplaces 2023 honor by The Buffalo News Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

ABOUT

Connecting Communities in Action (CCA), is a private, not-for-profit organization incorporated in New York State in June of 1965. It is one of the hundreds of Community Action Agencies across the United States.

Our programs are comprehensive, strength-based, and customer-focused. Delivering trauma-informed care is our priority. We offer safe and affordable housing, home rehabilitation and weatherization, prevention, and education. We also offer mental health services, food security, and support for youth, families, and survivors of crime.

Our future is bright indeed. That future will be ensured by continuing to invest in our staff, creating strategic funding and service delivery partnerships, sharing success stories, and demonstrating our impact.

Our Mission: CCA builds resilient communities by helping people achieve economic, physical, and emotional security.

Our Vision: CCA envisions a nation that creates opportunities for all people to thrive; builds strong, resilient communities; and ensures a more equitable society

Our Values: Throughout the counties we serve, CCA remains a safe and respectful place for participants and community members. We are committed to being nimble and responsive in assessing and responding to emergent community needs. Our agency serves individuals and families within a community context. When we impact individuals' and their families' economic, physical and emotional health, we also build healthy communities.
